Information Communication Technology majors studying in the online degree track in Information Studies are specially admitted and may complete their Bachelor’s in ICT fully online. Students in the track may transfer hours (i.e., minimum 60 hours) and will complete the Information Studies track, the major, and additional hours (i.e., up to 60 hours total) completely online.

1. **Plan**
   - **TRANSFER YOUR COLLEGE CREDITS**
     - If a student has not fulfilled the UK Core requirements, they will be directed to do so at their local community college. Students are also advised to explore UK core online options (e.g., CIS 110, CIS 111, or ICT 200).

2. **Apply**
   - **APPLY TO THE UNIVERSITY**
     - Prospective students and UK readmission applicants with transfer work from another institution should submit the UK Application for Undergraduate Admission.
     - Transfer and readmit application deadline is July 1!

3. **First Year**
   - **CURRICULUM DURING YEAR ONE**
     - 30 total hours:
       - ICT 200, 201, 202, 205, 301
       - IS Track (2 classes)
       - 300+ Elective (3 classes)

4. **Second Year**
   - **CURRICULUM DURING YEAR TWO**
     - 30 total hours:
       - ICT 305 and ICT 596
       - IS Track (4 classes)
       - 300+ Elective (4 classes)
