INTEGRATION

Integration of Syllabus with UK Educator Preparation Unit Themes:

This course will address the four themes of the conceptual framework for the UK professional education unit: **research, reflection, learning, and leading**. Students will be given the opportunity to review, analyze, discuss, and apply **research** from diverse perspectives in education, including professional scholarship and practitioner inquiry, in order to reflect on their own practices as they study, observe, and practice in P-12 school and university classrooms. **Reflection** will also be integrated into students' learning opportunities through the production of written essays and analyses of observation and teaching experiences to help students take advantage of the analytical and problem-solving skills that comprise critical professional reflection on one's own teaching. This course emphasizes the commitment of the professional education unit to assure that its graduates move into their professional lives equipped for lifelong **learning** as educators who will be active in **leading** colleagues in their schools, districts and professional organizations. The ultimate goal in addressing these four themes is to produce teacher leaders who work together to improve student learning among diverse populations and improve education in Kentucky and beyond.

Integration of Syllabus with Kentucky Academic Standards – Reading and Writing

This course will provide students an opportunity to advance their knowledge and mastery of the “tools” associated with enactment of SB 1 including the new assessment system referred to as UnBridled Learning College and Career for All, which includes the (K-PREP) tests – including the criterion and norm-referenced portions for grades 3-6. As students carry out projects and complete assignments that involve instructional activities for P-5 students in Kentucky schools, they will address one or more components of the Kentucky Academic Standards for Reading and Writing.

Integration of the Syllabus with the Themes of Diversity, Assessment, and Technology:

All UK professional education programs address and affirm the value of diversity in education, the use of technology to support all aspects of instructional programming, and the importance of attaining high levels of skill in assessing the outcomes of instruction. This course will provide students an opportunity to demonstrate attention to these themes and reflect on the mechanisms that this course has provided to demonstrate improved skills in these areas.

Student Assessment Sheet

Your *Student Assessment* cumulative sheet will enumerate exactly which assignments are required and the percentage of credit each assignment is worth. I will **highlight** each book that you have posted to Goodreads indicating that I have read and graded that post. If you feel something you have posted has not been highlighted in error, please let me know. Your grade and my comments on each assignment will be on this sheet and will be emailed to you throughout the course of the semester as grading is completed. It's your responsibility to check the sheet and note any assignment that I have yet to receive and to resubmit it. **Keep a copy of each assignment completed.** I will also maintain Canvas Gradebook, but THE STUDENT ASSESSMENT SHEET IS THE FINAL WORD ON YOUR GRADE STATUS.

Grading Rubric

Writing Assistance: The UK Writing Center <https://uky.mywconline.com/> should be consulted if you receive comments about issues with your writing.

All work should be proofed carefully and presented in a professional manner. Mistakes in grammar, punctuation, and spelling will result in point deduction. Unexcused late work may result in the grade being lowered by one letter. Deductions for assignments that do not meet minimum standards will vary.

Grading Scales

Undergraduate and Graduate Grade Point Scale

Below is the grade point scale for grads and undergrads for your final semester grade. Also included is the number of points you will need to be exempt from having to take the final after all assignments are graded...this represents 90 points out of 100/the final is worth 10 points. There will always be some students just one point from having to take the final, but there must be a cutoff point and there have been opportunities for extra credit throughout the course. If you have any questions, don't hesitate to ask. Everyone will know their point count by or before the last day of class, prior to the final.

Grade Point Scale for Undergraduates

- 90% – 100% = **A (Exceptional Achievement)**
- 80% – 89% = **B (High Achievement)**
- 70% – 79% = **C (Average Achievement)**
- 60% – 69% = **D (Below Average Achievement)**
- Below 60% = **E (Failing)**

Grade Point Scale for Graduates

- 90-100% = **A**
- 80 – 89% = **B**
- 70 – 79% = **C**
- Below 70% = **E**

Lowest point total to be exempted from final after 90% of assignments completed:

Undergrads...83/90 Grads...86/90

Mid-term Grade (for undergrads in 500-level courses)

Mid-term grades will be posted in myUK by the deadline established in the Academic Calendar and on the Course Calendar (<http://www.uky.edu/registrar/calendar>).

Participation (worth 2 points on final grade)

Class participation is an important part of the course. Your responsibility is to contribute to class discussions and small group discussions – from your background and experience-- as well as from your reading and book responses prepared for the discussion. You also need to listen respectfully to presentations by class members, as they are part of your learning experience. **Laptops/mobile devices brought to class are to be used only for note-taking and information seeking directly related to class discussion.** Any other use will result in grade points deducted from class participation. You have to be **in** class to participate. Any unexcused absences may jeopardize your final grade. Certainly emergencies or illnesses are legitimate and excused within reason. The 2 points include: Whole class participation (1) intellectual initiative (1).

GENERAL UNIVERSITY COURSE POLICIES

Academic Policy Statements:

Effective Fall 2021: Below are descriptions of the official policies established in the *University Senate Rules*, available [HERE](#) in their entirety.

Note that in Spring 2021, the University Senate changed the phrase "Dead Week" to "Prep Week."

- [Religious Observances](#)
- [Verification of Absences](#)
- [Make-Up Work](#)
- [Excused Absences for Military Duties](#)
- [Unexcused Absences](#)

Absences/Attendance

This class is a community whose success depends on everyone's participation, and it is vital for you to attend class in order to be successful. Attendance will be taken at the beginning of class. If you miss this, it is your responsibility to let me know you arrived late.

If you are absent on a day when an assignment is due, you will be allowed to hand in or make up that work only if the absence is officially excused. You will be asked to provide official written documentation for excused absences the next time you are in class in order for your absence to be excused. If you know ahead of time that you will be absent from class with an excused absence, please discuss this with your instructor and turn in any assignments ahead of time. Excuses for university-sponsored activities must be made prior to such absences. For any emergency situation that arises, email your instructor as soon as you know about the situation when possible. No make-up work is

available for in-class exercises or quizzes unless approved in advance by your instructor. Students have one week to complete a missed assignment or quiz due to an excused absence upon their return without penalty.

Unexcused Absences

An unexcused absence when one is expected to be a group discussion leader or reporter will result in a 0 point grade for that assignment unless prior arrangements have been made to switch dates with another student. Any other assignments/responsibilities may be made up due to the discretion of and arrangement with the instructor.

Excused Absences: *Senate Rules 5.2.5.2.1* defines the following as acceptable reasons for excused absences: (a) significant illness, (b) death of a family member, (c) trips for members of student organizations sponsored by an educational unit, trips for University classes, and trips for participation in intercollegiate athletic events, (d) major religious holidays, (e) interviews for graduate/professional school or full-time employment post-graduation, and (f) other circumstances found to fit “reasonable cause for nonattendance” by the instructor of record. Students should notify the professor of absences prior to class when possible.

Make-Up Work: Students missing any graded work due to an excused absence are responsible: for informing the Instructor of Record about their excused absence within one week following the period of the excused absence (except where prior notification is required); and for making up the missed work. The instructor must give the student an opportunity to make up the work and/or the exams missed due to the excused absence, and shall do so, if feasible, during the semester in which the absence occurred.

Religious Observances: Students anticipating an absence for a major religious holiday are responsible for notifying the instructor in writing of anticipated absences due to their observance of such holidays. Please notify your instructor about these absences at least 2 weeks before they are observed.

Academic Offenses Rules for Undergraduate and Graduate Students

Students shall not plagiarize, cheat, or falsify or misuse academic records.

- [Plagiarism](#)
- [Cheating](#)
- [Misuse of Academic Records](#)

Goodread Posts as assigned are to be the student’s original, thoughtful critical reviews, not commercial literary reviews or opinions of others.

Diversity, Equity, and Inclusion

The University of Kentucky is committed to our core values of diversity and inclusion, mutual respect and human dignity, and a sense of community ([Governing Regulations XIV](#)). We acknowledge and respect the seen and unseen diverse identities and experiences of all members of the university community (<https://www.uky.edu/regs/gr14>). These identities include but are not limited to those based on race, ethnicity, gender identity and expressions, ideas and perspectives, religious and cultural beliefs, sexual orientation, national origin, age, ability, and socioeconomic status. We are committed to equity and justice and providing a learning and engaging community in which every member is engaged, heard, and valued. We strive to rectify and change behavior that is inconsistent with our principles and commitment to creating a safe, equitable, and anti-racist environment. If students encounter such behavior in a course, they are encouraged to speak with the instructor of record or the [college's diversity officer](#), who is charged with addressing concerns about diversity, equity, and inclusiveness (uky.edu/inclusiveexcellence/college-diversity-inclusion-officers). Students may also contact a faculty member within the department, program director, the director of undergraduate or graduate studies, the department chair, or the dean. To submit an official report of bias, hatred, racism, or identity-based violence, visit the Bias Incident Support Services [website](#) (<https://www.uky.edu/biss/report-bias-incident>).

Withdrawal from the Course:

If a student has excused absences in excess of one-fifth of the class contact hours for that course, a student shall have the right to petition for a "W", and the Instructor of Record may require the student to petition for a "W" or take an "I" in the course. [US: 2/9/87; RC: 11/20/87]

Incompletes:

Student requests for an Incomplete (an I grade) will be considered within University guidelines and only in extreme circumstances.

http://www.uky.edu/Ombud/ForFaculty_EnrollmentGrades.php

Submission of Course Assignments

Turn in all assignments on time. Acceptance of late assignments will be subject to the discretion of the instructor. Any late assignments will be subject to loss of one letter grade upon evaluation. **Submissions of assignments other than Goodreads posts are to be posted on Canvas (preferred), sent as email attachments, or handed in as hard copy.** It is the student's responsibility to keep copies of all assigned work until the semester is over. These may need to be resubmitted if there are technical problems.

Leadership, Group Work and Collaboration

All students will participate in a small group throughout the semester. You may communicate with your group through Canvas email. Each student will serve as a leader at least once, either in a small group setting or in the whole class with a presenter. If for any reason you cannot serve in this role on the date assigned to you, it is your responsibility to find someone to trade dates with you or you will receive no credit for that role.

Free Choice posts are due according to the Course Calendar.

Read Aloud Session Due: February 1

Select a picture book to read aloud to your discussion group—one you think would appeal to a group of children. Choose a book with large, clear illustrations and a story that does not exceed 10 minutes when read aloud with expression, preferably a hardcover rather than a paperback edition. **Do NOT read your book from a phone, iPad or tablet.** Post a review of your book to Goodreads *along with a brief explanation as to why you choose that particular book for reading aloud.*

Text Complexity Exercise Due: April 12

Select a picture book for older readers from the Reading List refer to your text, pp. 84-85). After reading the book, determine its lexile level <https://hub.lexile.com/find-a-book/search> and corresponding grade level. Using the *Text Complexity Analysis of* template, fill out each component and determine a final recommended placement of that book. Submit to Canvas. Use *Text Complexity: Qualitative Measures Rubric/Literary Texts* to inform your decisions.

Author/Illustrator Information Guide/Invitations for Further Investigation Due: March 29

Become an “expert” on one author/illustrator. (Please let me know the name of your author &/or illustrator as soon as possible). Prepare a 3-4 page essay (or be creative in your format: Prezi, PowerPoint, Canva, brochure, or any computer presentation tools), on your author or illustrator and submit it to Canvas. Include a biographical narrative about the author/illustrator and his/her work/style in general (1—2 pages), a list of places (print &/or electronic) to find information on the author (at least 3—these should be briefly *annotated*), and a selective, *annotated* list of the author’s works (4-10 depending on whether they are novels or picture books). Be sure to include *most important and most recent works*. Find out if there are any *forthcoming works*. Include any *awards* received. **I expect you will have read the books you annotate.** *Do not use commercial annotations (e.g. amazon.com).* *These reviews are to be your original work.*

Graphics should be an important visual component of your presentation.

OR: Select a topic from the list *Invitations for Further Investigation* (found at the end of most chapters of your text) and write a paper on the topic of your choice. Cite all sources used in preparing your paper. The length of your paper will depend on your topic, but most topics will require an average of 3-5 pages.

Kentucky Academic Standards Literature Lesson Presentation (worth 10 points)

This project requires a **visual/oral** presentation in class. Be sure to schedule your date.

Using the **Kentucky Academic Reading and Writing Standards K—5**

https://education.ky.gov/curriculum/standards/kyacadstand/Documents/Kentucky_Academic_Standards_Reading_and_Writing.pdf, **choose a grade level (K—5). Then choose a standard.** Choose **1** book of high literary merit that you will use with students in teaching that standard. **2** books will need to be chosen in teaching *some* standards that require students to compare and contrast different texts, Create a PowerPoint Presentation/Prezi/wiki/blog or other way to visually present your standard and book(s) to the class. Be sure to include: an image of the book and brief summary (not commercial, but written by you; **don't read it from your slide—tell us about the book and show illustrations**) for the book(s), the book lexile <https://hub.lexile.com/find-a-book/search> (use the Quick Book Search at the top of the webpage) and grade level equivalent <https://lexile.com/educators/measuring-growth-with-lexile/lexile-measures-grade-equivalents/> a way to introduce the book(s), e.g. book trailers, websites or video clips (providing background information), and an activity or assessment you will use with the students. The **visual presentation** will be **10 minutes maximum. Bring your book(s) with you on the night of your presentation. You may want to read it to the class if it is not too long.**

Book Discussion Sessions

Our class will participate in group discussion. Preparation [for seven of those sessions], Feb 2, March 1, March 8, March 22, March 29, April 12, and April 19 will include posting on Goodreads to share with group members &/or questions for guest speakers. These class discussion book posts are to be completed **by the day of the class discussion** and may be used as a reminder during discussion. Preparation for **March 8** will be a spreadsheet to fill out. This Folktale Variant Chart should be filled in online and submitted to Canvas or in hard copy and submitted in class.

Books being discussed should be brought to class discussion. Ebooks and audiobooks are permissible for novels or chapter books. Picture books should be read and brought to class in hard copy if possible.

A **group leader** will be designated before the discussion who will take responsibility for the discussion. S/he should prepare some *appropriate or provocative questions* to pose to the group or presenter to stimulate discussion. These questions should be broad, open-ended questions to inspire thinking and discussion, not questions that have definite answers. You must submit those questions on Canvas *before* class. (Everyone in the group will get a turn at this). Alternative leadership responsibilities may involve preparing several questions for the guest speaker who presents during class. Credit for your work in discussion groups/presenter questions is part of Required Reading grade.

Book Talks Due: April 19

Select a novel (**not a picture book**) from reading lists or text bibliographies (with the exception of those required for group/class book discussions) that you would like to promote to a group of young people. The book must have been **written in the last 10 years**. Pick a target age or grade group between 2nd and 6th grade. You want to entice them to read the book without telling too much of the story or revealing the outcome. This is basically an advertisement for the book you're presenting. Book talks are informal and encourage give and take with your audience. **BOOKS MUST BE BROUGHT TO THE DISCUSSION.**

Class Participation (worth 2 points on final grade)

Class participation is an important part of the course. Your responsibility is to contribute to class discussions and small group discussions – from your background and experience-- as well as from your reading and book responses prepared for the discussion. You also need to listen respectfully to presentations by class members, as they are part of your learning experience. **Laptops and mobile phones brought to class are to be used only for note-taking and information seeking directly related to class discussion. Any other use will result in grade points deducted from class participation.** You have to be in class to participate. Any unexcused absences may jeopardize your final grade. Certainly emergencies or illnesses are legitimate and excused within reason. The 2 points include: oral whole class participation (1), and intellectual initiative [always on time to class and with assignments, going above and beyond assignments, demonstrating enthusiasm for the course] (1).
